Dear Mr. Haller:

Thank you for your letter of June 19th inviting me to take part in Stanford's Guest in Residence Program. It is something I would very much like to do--schedule permitting. I honestly doubt if I would be able to spend two or three days with you, but I would be happy to speak at one of your evening lectures.

I don't have any visits to the West Coast planned for the 1977-78 academic year. However, I have asked my Assistant for Public Affairs to keep your letter and get in touch with you should such a trip materialize. I hope we are able to find a mutually agreeable date. ? PA

Many thanks again for thinking of me. I hope to be with you next year.

Yours sincerely,

/s/ Stansfield Turner

Adm. Stensfield Turner, Director  
CIA  
Washington, DC 20505

Dear Adm. Turner:

On behalf of the ASSU Speakers Bureau, I invite you to address the Stanford community during the 1977-78 academic year. As Director of the CIA (and perhaps soon Director of National Intelligence) you are in charge of the branch of our government that has become of increasing interest and concern to Americans.

You are invited to participate in our Guest in Residence Program, which entails a two or three day stay at Stanford and informal small group meetings with students and faculty leading up to an address before the student body.

If your busy schedule does not allow for such an extended stay, please consider an evening lecture as an alternative. We are completely flexible as far as dates are concerned.

I look forward to hearing from you.

Sincerely yours,
